

### *Principal's Message*

As we enter into a long, Labor Day weekend, I would like to take a moment to reflect on this day of celebration for all of us who work to contribute positively to our homes, our communities, and our country through our work. My hope is that the extra time spent with your family or doing whatever it is that brings you joy helps remind you of what all your toils are for. And to our first responders, medical staff, gas station attendants, grocery and retail clerks, and those in the travel industry who will work this day I hope you know how much you are appreciated.

**Have a wonderful, blessed, weekend!**

**Mrs. K.**
